MYSORE DIVISION.

Abstract Notification, dated 13th February 1933.

The attention of the public is invited to the detailed notification, dated 13th February 1933, calling for tenders for the maintenance of Agale major tank in Krishnarajpete Taluk, published in page 191, Part VI of the *Mysore Gazette*, dated 16th February 1933.

Last date for receiving tenders is 25th February 1933.

K. NARAYANA IYENGAR,
Executive Engineer

OFFICE OF THE EXECUTIVE ENGINEER, SPECIAL DIVISION, MYSORE.

Notice dated the 17th February 1933.

Notice is hereby given that quotations "to run coffee club in the Stair-case room of the Public Offices, Mysore" will be received in sealed covers from intending runners at the Office of the Executive Engineer, Special Division, Mysore, up to 12 noon on Monday the 6th March 1933.

Each quotation should be accompanied with earnest money of Rs. 20 in cash or currency notes.

The applicant should state the rate of monthly rent at which he is prepared to take up the room and the maximum period of time for which he agrees to take it up with the available facilities only.

On acceptance of the tender, the earnest money of the rejected tenders will be returned.

The successful applicant will have to execute a rental agreement in the prescribed form within eight days of the receptance of the quotation.

V. V. PATANKAR,
Executive Engineer.
Special Division.

MYSORE RAILWAYS.

MYSORE DIVISION (Open Lines).

Abstract Notification dated 17th February 1933.

The attention of the public is invited to the detailed notification, dated 8th February 1933, calling for tenders for the Construction of 2-20' Girder Bridge at Mile 274—1-2, for Cauvery Branch Channel on Bangalore-Mysore Section, published on pages 183 and 184, Part VI of the *Mysore Gazette*, dated 16th February 1933. Date up to which tenders will be received is 3rd March 1933, till 4 P.M.

R. N. MIRZA,
Senior Executive Engineer.

OFFICE OF THE EXECUTIVE ENGINEER, HASSAN DIVISION.

Notification dated 14th February 1933.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Hassan Division up to 4th March 1933, for constructing a School Building at Anekere, (Channarayapatna Taluk.) An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of April 1934.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Hassan between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash or Government Promissory notes, as earnest money, and be superscribed "Tender for constructing a Schoo Building at Anekere, (Channarayapatna Taluk)," in default of which, tenders will be rejected

5. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office, in due course. No enquries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Percentage rates above or below the Estimate will not be accepted.

10. No claims will be entertained for enhanced rates on any account after the acceptance of the tender.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates, measurements, quality of work, etc., and in all disputes of any kind the decision of the Superintending Engineer will be final and legally binding on the contractors.

12. Subletting of the work is not allowed.
